

Master's Proposal Defense Approval

Name _____

Procedure

The deadline for completing the master's proposal defense is **April 1** of the first year. Approval of the master's thesis proposal defense must be documented and on file with the Program Chair. Students must obtain the signatures of their advisor, committee members, and the ADA Program Chair at their university to document approval of their master's thesis proposal. This completed form is due to the Program Chair on or before **April 1**.
