

The Department of Psychology is proud to present Dr. Chris Bedosky, an assistant professor of Psychiatry at Case School of Medicine. Dr. Bedosky specializes in OCD and related disorders at University Hospitals of Cleveland where he is a member of the Department of Child and Adolescent Psychiatry and the Neurological Institute.

Dr. Bedosky's talk will provide an overview of OCD and related disorders from a clinical perspective and a survey of treatment options.

Please join us on Friday, November 13, 2020 from 3:30 to 5:00 pm via Zoom for

**Obsessive Compulsive and Related Disorders:
A Presentation of Symptoms and Innovations in Treatment**

Meeting ID: 847 2484 6905
